

# INTEGRATED MANAGEMENT SYSTEM POLICY

The Management declares that the firm **ARG DE GRAAF S.A.** and the firm **DON HECTOR S.A.** constitute a family agro-industrial company dedicated to the storage, shelling, conditioning, selection, elaboration, packaging and marketing of different peanut products, whose mission is to connect people of the world with foods of natural, healthy and sustainable origin, cultivated and elaborated with dedication and care.

We are committed to allocating the necessary resources for the implementation, maintenance and continuous improvement of the performance of the Integrated Management System.

The company's commitment is focused on the following pillars:

## LEGAL COMPLIANCE

-Comply with current national and international legal regulations.

## CUSTOMER SATISFACTION

-Meet the needs and expectations of our customers.

-Develop and market Safe, Legal, and Authentic products that meet specified quality standard.

## CONTINUOUS IMPROVEMENT

-Control, measure, analyze, and improve existing processes to satisfy our customers and obtain safe, high-quality, legal, and authentic food products.

-Work together with our suppliers in Quality and Food Safety Management.

-Continuously improve the performance of our Integrated Management System.

## FOOD SAFETY AND QUALITY CULTURE

-Continuously improve the quality and safety culture within our company.

-Develop the potential of our collaborators.

## COMMITMENT TO THE COMMUNITY AND THE ENVIRONMENT

-Be socially committed to the involved community.

-Measure, control, and minimize negative environmental impacts resulting from the company's activities.

## COMUNICATION

-Communicate and make available this Policy and all relevant Integrated Management System information to interested internal and external parties.
